- To do | overdue | done

**DC-
Manage-
ment****Personalize
Customize**

- Portal including personalization
- Students access organization-specific material
- Students directly linked to their specific organizations
- Flexible maintenance for organizations
- personal checklist

Tasks	Personal checklist with organization specific tasks <div style="text-align: right;">Academic work</div>
Resources	Informational multimedia modules <div style="display: flex; justify-content: space-around;"> <div style="border: 1px solid white; border-radius: 50%; padding: 5px;">How to write a Hausarbeit</div> <div style="border: 1px solid white; border-radius: 50%; padding: 5px;">How does the German library system work</div> </div>
German	Interactive exercises <div style="display: flex; justify-content: space-around;"> <div style="border: 1px solid white; border-radius: 50%; padding: 5px;">Vocabulary exercises</div> <div style="text-align: right;">Communication with tutor</div> </div>
Community	Forums with moderation <div style="border: 1px solid white; border-radius: 50%; padding: 5px; text-align: center;">Communication with German students</div>

German language preparation

Bridge between language courses at home university and everyday communication in Berlin

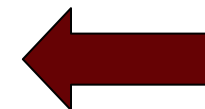

Homogeneous

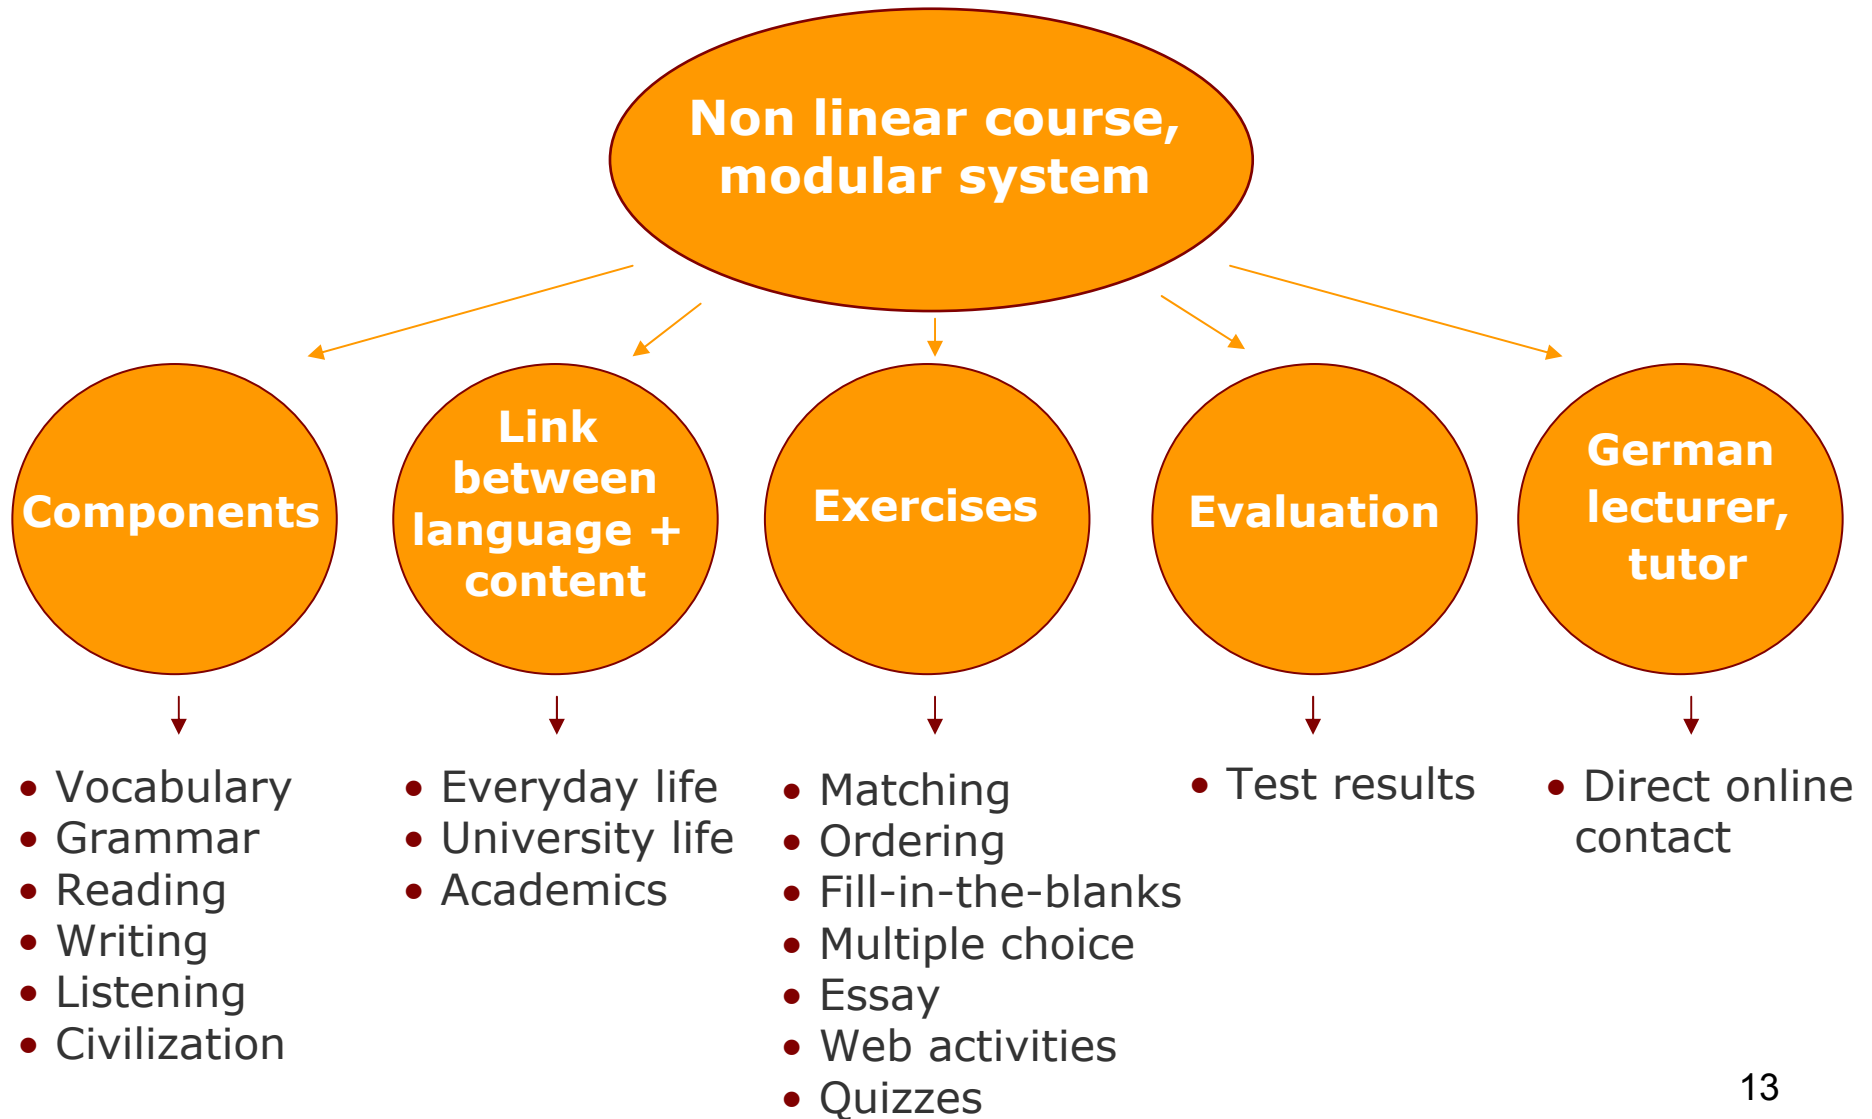

- ▶ Educational background (undergraduates)
- ▶ Intrinsic motivation (study abroad)
- ▶ Mother tongue (American English)
- ▶ Internet access

Heterogeneous

- ▶ Language level German (advanced beginners near native speakers)

**Exercises on intermediate level****Extension of target group possible**

- ▶ Home universities can make use of DC-German in their courses

**Community with
various forums
and moderation**

**Establishing contacts between
German and American students**

**Language tandems in cooperation
with the JFK Institute (FU Berlin)**

**Communication platform
for organizers**

**Establishing contact to
residential and academic
staff on site in Berlin**

**DC-Content
Tasks, resources (text, video)**

**DC-German (I-frame)
German exercises**

**Communication environment,
forums**
